## PHOTOGRAPHY POLICY

We invite you to enjoy our church and its gardens and encourage you to pause and reflect during your visit. You are welcome to take photos for *non-commercial* purposes and ask that you abide by the following:

- Our church and gardens are open to visitors from 8:30 a.m. – 5:00 p.m. daily. Photos may be taken during this time in both the church and gardens. However, if there is a service in progress no photography is permitted in the church.
- Our parish mission is to grow spiritually in Christ through worship, stewardship, study, service and fellowship. All photographs may not be inconsistent with this mission.
- Photograph staging must permit other visitors to enjoy the property unimpeded.
- No tripods or monopods are allowed in any indoor buildings.
- Photography for publication, catalogue use, promotional or advertising materials or other print or electronic communication use will be considered for *commercial* purposes.

**Commercial** photography is not permitted without prior approval (note: wedding photography is governed by separate guidelines). Please call the church office with your inquiry. If approved, a minimum \$100 contribution to the church will apply. Other fee considerations will be time of year, length of stay, nature of photos.
