Worship at Bethesda

Every Sunday is where life begins at Bethesda. Our worship is formal, intimate, transcendent, reflective, fun, and inspiring. We have communion as an integral part of every service with glorious liturgy and music, where we share together in a simple meal of bread and wine. We also celebrate Holy Eucharist during the week and offer a healing service on Wednesdays. While our worship may not be entirely familiar to you, we encourage you to join in as you are comfortable. All baptized Christians are invited to participate in the Holy Eucharist when visiting Bethesda-by-the-Sea. It is not necessary to be a member of the Episcopal Church in order to receive Holy Communion. Persons who have not been baptized are welcome to come to the altar rail and kneel to receive a blessing. Cross your arms on your chest as a sign that you desire a blessing. Worship at Bethesda is formal but need not be stiff. While many people prefer to wear their “Sunday finest” for church, others prefer to dress more casually. As God loves all, Bethesda welcomes all. Below is our schedule for our season.

SUNDAY | 8:00 and 10:00 a.m.*
TUESDAY | 8:00 a.m.
WEDNESDAY | 12:05 p.m.

Life at Bethesda

The key guide below will help you access an event by category and for whom the event is intended:

Care: At Bethesda-by-the-Sea we clothe ourselves in compassion through our Pastoral Care Ministry, “Bethesda Cares,” an organizational structure that includes the clergy, staff, and trained lay members of the congregation. Through a network of helping hands and hearts, this inreach ministry provides support to members of the congregation during times of need. Visit our “Care” page on our website for information about the ministries we offer, including Eucharistic Visitors, the prayer chain, and clergy visitation.

Education: Bethesda offers rich learning opportunities for Children, Youth, and Adults that speak to all aspects of our life of faith. All are welcome to participate and join in the lifelong journey of learning and grow’s in our faith.

Fellowship: Through fellowship we develop and build connections, and through those relationships we grow closer to God. Bethesda provides many opportunities for making those connections such as the International Potluck, Ministry Fair, Picnics, etc. The goal is to foster Christian fellowship among all members, guests and visitors, to embrace individual differences, and to provide opportunities to experience the strong presence of God.

Give: All that we have is a gift from God and our lives are an expression of gratitude. Financial gifts ensure Bethesda continues to be a vibrant, energetic community—including our beautiful sacred space, our music, and our worship. Making a pledge to the mission and ministry of Bethesda also helps us practice a personal spiritual commitment increasing our love of God and neighbor. Another way to give to Bethesda is to become a member of the Heritage Society and include Bethesda in your will. We benefit from generations of generosity by members of Bethesda. Our planned gifts help carry forward our ministries for our children and grandchildren.
**Leadership:** At Bethesda we have 18 lay members, elected by the parish, who make up our Vestry. The Rector and Vestry set the course for our church’s spiritual and financial direction. Vestry meetings are open to all members. All of Bethesda is encouraged to attend our Annual Meeting and Town Hall Meetings.

**Music:** Our concerts and choral services throughout the year include our first-Sunday of the month Evensong (October through May, each preceded by a half-hour Recital), a service of Advent Lessons and Carols, the annual Christmas Concert and Community Carol Sing, A Festival of Nine Lessons and Carols, the annual Boar’s Head and Yule Log Festival, and special Good Friday music (usually a *Requiem* with orchestra accompaniment).

**Outreach:** At Bethesda, one of our essential commitments is to serve. We serve within the community of faith through a variety of worship, fellowship, and care ministries. We also serve in the world around us, moving beyond charity to building relationships with people beyond our church walls. These relationships enable us to encounter Christ and share in God’s compassion, particularly for those who are poor and suffering. Bethesda has a myriad of opportunities to build our lives of faith and our community of faith by working toward a just and compassionate world.

**Worship:** At Bethesda, our goal is to provide loving, supportive, and uplifting worship for members and visitors where all can understand and experience the word of God through liturgy, instruction, music, and prayer.

Other useful keys to indicate what age group that the event designed for are below:

- **Children:** These events are open to children through 5th grade.
- **Youth:** These events are open to youth in 6th through 12th grade.
- **Adult:** These events/groups are open to adults such as Men of Bethesda (MOB) or St. Mary’s Guild. However, some of these groups are for men only or women only.
- **Parish Wide:** These events are open to the entire parish and all are encouraged and welcome to attend.

**Opera and Issues: Conversations with Palm Beach Opera**

Wednesday, October 23 | 6:30 to 7:40 p.m. | Guild Room
These conversations with Palm Beach Opera highlight the inner workings of a professional opera company through personal discussions with Opera staff. We believe that opera tells stories to which we can all relate, and that’s why the operatic art form has thrived for centuries. Therefore, we strive to immerse the community directly into those stories, revealing timeless tales of love, passion, and joy. In doing so, what ethical considerations must a professional opera company make a priority in its programs and productions? What is the relation between the society we live in and the role, function, and position of the arts within that community? How is opera influenced—while also influencing—social, political, economic, and technological developments? During our time together, we’ll examine the world of opera, the inner workings of Palm Beach Opera, and some choices that need to be made by a professional opera company when they are about to embark on a new production season. *Opera and Issues* will delve deeper into topics that remain relevant to experiences we all face and affect the lives we live today.

**Opera and Issues: Conversations with Palm Beach Opera**

**Wednesday, October 30 | 6:30 to 7:40 p.m. | Guild Room**

These conversations with Palm Beach Opera highlight the inner workings of a professional opera company through personal discussions with Opera staff. We believe that opera tells stories to which we can all relate, and that’s why the operatic art form has thrived for centuries. Therefore, we strive to immerse the community directly into those stories, revealing timeless tales of love, passion, and joy.

In doing so, what ethical considerations must a professional opera company make a priority in its programs and productions? What is the relation between the society we live in and the role, function, and position of the arts within that community? How is opera influenced—while also influencing—social, political, economic, and technological developments? During our time together, we’ll examine the world of opera, the inner workings of Palm Beach Opera, and some choices that need to be made by a professional opera company when they are about to embark on a new production season. Opera and Issues will delve deeper into topics that remain relevant to experiences we all face and affect the lives we live today.

Over two evenings, Father James will share stories of his transforming trip to Poland with a group of Christian clergy and scholars. This conversation will offer the opportunity to come to grips with the history of hate and help to show how we can face the past in order to learn from it, grounded in the hope we share and in the gift of life.

2020 Bethesda Annual Campaign

Sunday, January 12 | Pledge Cards Available following services
Life is an opportunity. Life is a journey. A journey to saying “yes” to God who calls us the Beloved. Life is a journey to love, to peace and to generosity. On our journey, we learn from the ones who have come before us, from the witness of their lives. The gospel stories we hear each week inform, challenge, and inspire us. As we remember the past we are always moving forward, growing, becoming, embracing the future. As we welcome the new we discover ever deeper ways of saying “yes” to God and becoming
the person God creates us to be. The 2020 Annual Campaign at Bethesda, invites us to make a commitment to further the mission of Bethesda to love and serve. A pledge to the Bethesda 2020 Annual Campaign is an opportunity to take another step in our journey to generosity. It is a way to return to God what God has so generously given to us. Because it is a known amount, contributions in the form of a pledge help Bethesda make informed budget decisions on operating expenses and commitments to the many ministries of Bethesda.

FEATURED CLASSES

**Featured Class:** *Love in the Face of Hate: the Courage of Faith*

*Sunday, January 15 | 6:30 to 7:40 p.m. | Guild Room*

We are witnessing increasing violence and hateful speech against so many people, not because of anything they’ve done, but simply because of who they are: their ethnicity, their religion, their culture, their sexuality, or their gender. We people of faith can feel alarmed, concerned, even overwhelmed or numbed by it. We need to seek out the strength of our faith to clarify our convictions about how God calls us to respond to hate. Over two evenings, Father James will share stories of his transforming trip to Poland with a group of Christian clergy and scholars. This conversation will offer the opportunity to come to grips with the history of hate and help to show how we can face the past in order to learn from it, grounded in the hope we share and in the gift of life.
